## PACKAGES FROM HOME

We have been collecting 'comfort' items and knitting helmet liners and making 'neck coolers' as a volunteer project to show support for deployed military for several years now. Over the years a large number of these items have been regularly donated to Packages from Home. Many thanks for the generosity of all who have helped in this project.

At this time, Mary Lue Brinker, sp 591, and I will be moving on to other activities and will no longer be spearheading this project. If anyone would like to take over and work with Packages from Home, please contact either Mary Lue or me, Susan Barrigan, Sp 599, and we will be happy to help you get started.

### BUS TRIPS WITH SUSAN

After eight years of putting together adventurous bus trips, I will no longer be living in Arizona as of next year. Many thanks to all who supported this activity and made my life so much fun as I was fulfilling a "someday" activity that I had been hoping to implement most of my life. I met a lot of stimulating people, learned new stuff about Arizona and made many new friends and fond memories.

Thanks, Susan Barrigan
